

WELCOME

The word "WELCOME" is rendered in a playful, multi-colored font. The letters are: 'W' (dark grey), 'E' (orange), 'L' (yellow), 'C' (teal), 'O' (purple), 'M' (green), and 'E' (orange). Below the word is a grid of 7 columns and 5 rows of colored squares. The colors of the squares correspond to the colors of the letters above them, creating a visual link between the text and the grid.
